PROFESSIONAL SUMMARY

B.Tech Computer Science student (2023–2027) focused on full-stack web development. Experienced in building responsive React and Next.js interfaces, REST APIs with Node.js and Express, and data-driven applications using MongoDB and SQL. Strong foundation in DSA, problem-solving, and practical software development. CGPA: 7.04/10.0.

EDUCATION

Himachal Pradesh Technical University, Hamirpur, H.P.
B.Tech in Computer Science and Engineering *Expected July 2027*
Relevant Coursework: Data Structures, Operating Systems, Computer Networks, DBMS, OOP

TECHNICAL SKILLS

Languages:	JavaScript, TypeScript, Python, C++, SQL
Frontend:	React.js, Next.js, HTML5, CSS3, Tailwind CSS
Backend:	Node.js, Express.js, Python, Django
Databases:	MongoDB, MySQL, PostgreSQL, Supabase, Prisma ORM
Tools:	Git, GitHub, VS Code, Vercel, Postman, REST APIs, JWT, Cloudinary

PROJECTS

API Sentinel *Next.js, TypeScript, Node.js*
- Developed an API monitoring and security tool with endpoint tracking and automated alerts
- Built a responsive dashboard for API health, request activity, and security insights

FinPilot *React, Vite, Tailwind CSS, Node.js, Express, MongoDB*
- Built a full-stack personal finance tracker with authentication, budgets, transactions, and analytics
- Developed REST APIs using Express, MongoDB/Mongoose, JWT authentication, and bcrypt password hashing

Resolve *React, TypeScript, Vite, Tailwind CSS, Express, MySQL*
- Built a role-based customer support workspace for ticket management and team workflows
- Implemented authentication, permissions, notifications, Cloudinary attachments, and MySQL persistence

CodeFlow Debugger *JavaScript, TypeScript, React*
- Built a JavaScript debugging tool with real-time code execution monitoring
- Implemented error detection, breakpoint management, and syntax highlighting

Portfolio Website *Next.js, TypeScript, Tailwind CSS, EmailJS*
- Built a responsive personal portfolio showcasing projects, skills, and technical experience
- Added smooth animations, responsive UI components, navigation, and a functional contact form

ACHIEVEMENTS

- Built 4+ full-stack web applications demonstrating practical development skills
- Active GitHub contributor with public repositories
- Strong academic performance with focus on software development and problem-solving

TECHNICAL INTERESTS

Full-Stack Web Development, React Applications, API Development, Database Design, Modern JavaScript Frameworks, Open-source Contributions, UI/UX Design
